HOTEL PIRAN IS

»Lovely Beachfront Hotel«

"We enjoyed the prime suite that was perched directly over the ocean - and enjoyed the sun all day. The staff was very professional and took great care of us and all their guests. The smell of this hotel was healthy - ocean salt and fresh air."

»Stunning location«

"This boutique hotel is fab! From the minute we arrived we were met with smiles and excellent service from all the staff during our one night stay. This hotel is right on the waterfront with stunning views. The rooms are modern and clean with lovely complimentary toiletries. Breakfast was extremely good and you can sit outside on the waterfront or inside. The reception are smelled lovely!!! All in all a great stay in a lovely place if in the area I would, without and doubt, stay here!"

»Sunset on the roof«

"There is a luxurious bar on the roof, from where the sunset is magnificent, it is a must. A huge variety of special beers, cocktails and drinks are served. The service is excellent and staff are friendly. The best, apart from the rooftop, is the breakfast. There is plenty to choose from warm sausages and omlettes, through cold cuts to sweet bakery products, fruits and everything you can wish for."
